We, the members of the new generation, about
to step into our places in the world now, at the be-
ginning of a new century of life in Oregon, sincerely
dedicate this book to the coming one hundred years
and hope that the progress and improvements that
have been made will be but the cornerstone upon
which the future will grow to limitless heights.

Your friend
Sharon

Centennial Year . . . time to stop and look back, evaluate the events of the past one hundred years and profit from them. As the state of Oregon has grown, so has Roseburg Senior High School. From its first humble beginning in 1900, till the present year, the high school has grown by leaps and bounds.

In 1903, Roseburg had the honor of graduating the first Senior class, consisting of nine persons. As an example of our growth, last year the graduating class contained 233 students. By 1904, the high school was forced to move to the then newly constructed Lane School because of overcrowdedness. Another example of our growth: two more moves and in 1926, we were at our present location. Now with six buildings and constant improvements, we're still bursting the seams.

The state has grown from covered wagons to jet airplanes, the school from the basic three r's to modern physics and chemistry labs. These are great changes to happen in just half a century. Changes never dreamed of by the first students of Roseburg High, usually taken for granted by us. We hope that as you, the modern-day student, read this book and note the changes we have attempted to show, you will understand the work that has gone into making our school what it is today.

We also hope that since we have dedicated our book to the coming century, the annual staff of 2059 will look back, remember us, and say --- "great job, Class of 1959."

Governed . . .

This year proved to be a busy one for the Student Council. They began their activities with the Region V Workshop for which they were hosts. Three hundred delegates from 37 schools attended the sessions which included Mark Hatfield as guest speaker. Big plans were then laid for Homecoming by the Council. One event, the uptown rally, was spoiled at the last minute by a sudden rain, but all turned out right in the end.

New, as of this year, were numerous events started by the Council. Honor Roll competition was added to the inter-class contests. A victory bell was acquired for games, and an orange-shirt section, an organized group, replaced the white-shirt section of past years. Although they didn't bring back Boys' League, a committee was set up and assemblies were started for the boys in its place.

Leading the Council this year was A.S.B. President, Ted Sohn, assisted by Mr. Withnell, the advisor. Other council members were Jeremy Halladay, Senior Vice-President; Jim McGhehey, Junior Vice-President; Nancy Stewart, Secretary; Sally Myers, Treasurer; Dick Peterson, Sergeant-at-Arms; Wayne Hutchins, Business Manager; Sharon Lyons, Chaplain. Class Representatives were: Ron Fraback, Courtney Healy, John Todd, Pat Moran, JoAnne Freeman. Class Presidents were: Buddy Paulson, Tim Doyle, Ed Lorenzen, and Barry Serafin.

Although a class period was used by the staff to put out the "Umpqua," many hours after school, at night, and on weekends were needed to meet deadlines. Kathy Rooney, Editor, was the only veteran this year. Therese Layton, Assistant Editor, was the "jack-of-all-trades," doing such things as typing, writing copy, and drawing layouts. Because Linda Strickling, Advertising Manager, was usually out selling ads to Roseburg businessmen, she was seen only occasionally sixth period. Tamyra Campbell, Business Manager, did a fine job handling the books, and Stan Brown was in complete charge of the sports sections. Tom Rice was Art Editor; he designed this year's cover and division pages. Deanna Payton was Index Editor, and Janet Martin was in charge of all the copy. The two typists, Janice Stevens and Judy Barnes, were kept busy, especially at deadlines. New at this business, too, was Mr. Flannery, the Advisor. On the whole, the year turned out to be a lot of fun and hard work, and the time spent was well worth the valuable experience gained.

Guidance and Government

SUPERINTENDENT

For the past seven years, our schools have been constantly moving forward and improving under the able leadership of Mr. M. C. Deller, Superintendent of Schools. He is a popular figure throughout the district and can always be found wherever he is needed most—working, striving for the betterment of our school system.

Conducting teachers' in-service meetings and gathering school census statistics are only two of Arthur Judd's many duties as Assistant Superintendent of schools. This is his fourth year in this capacity and each year has been marked by his exceptional work for our schools.

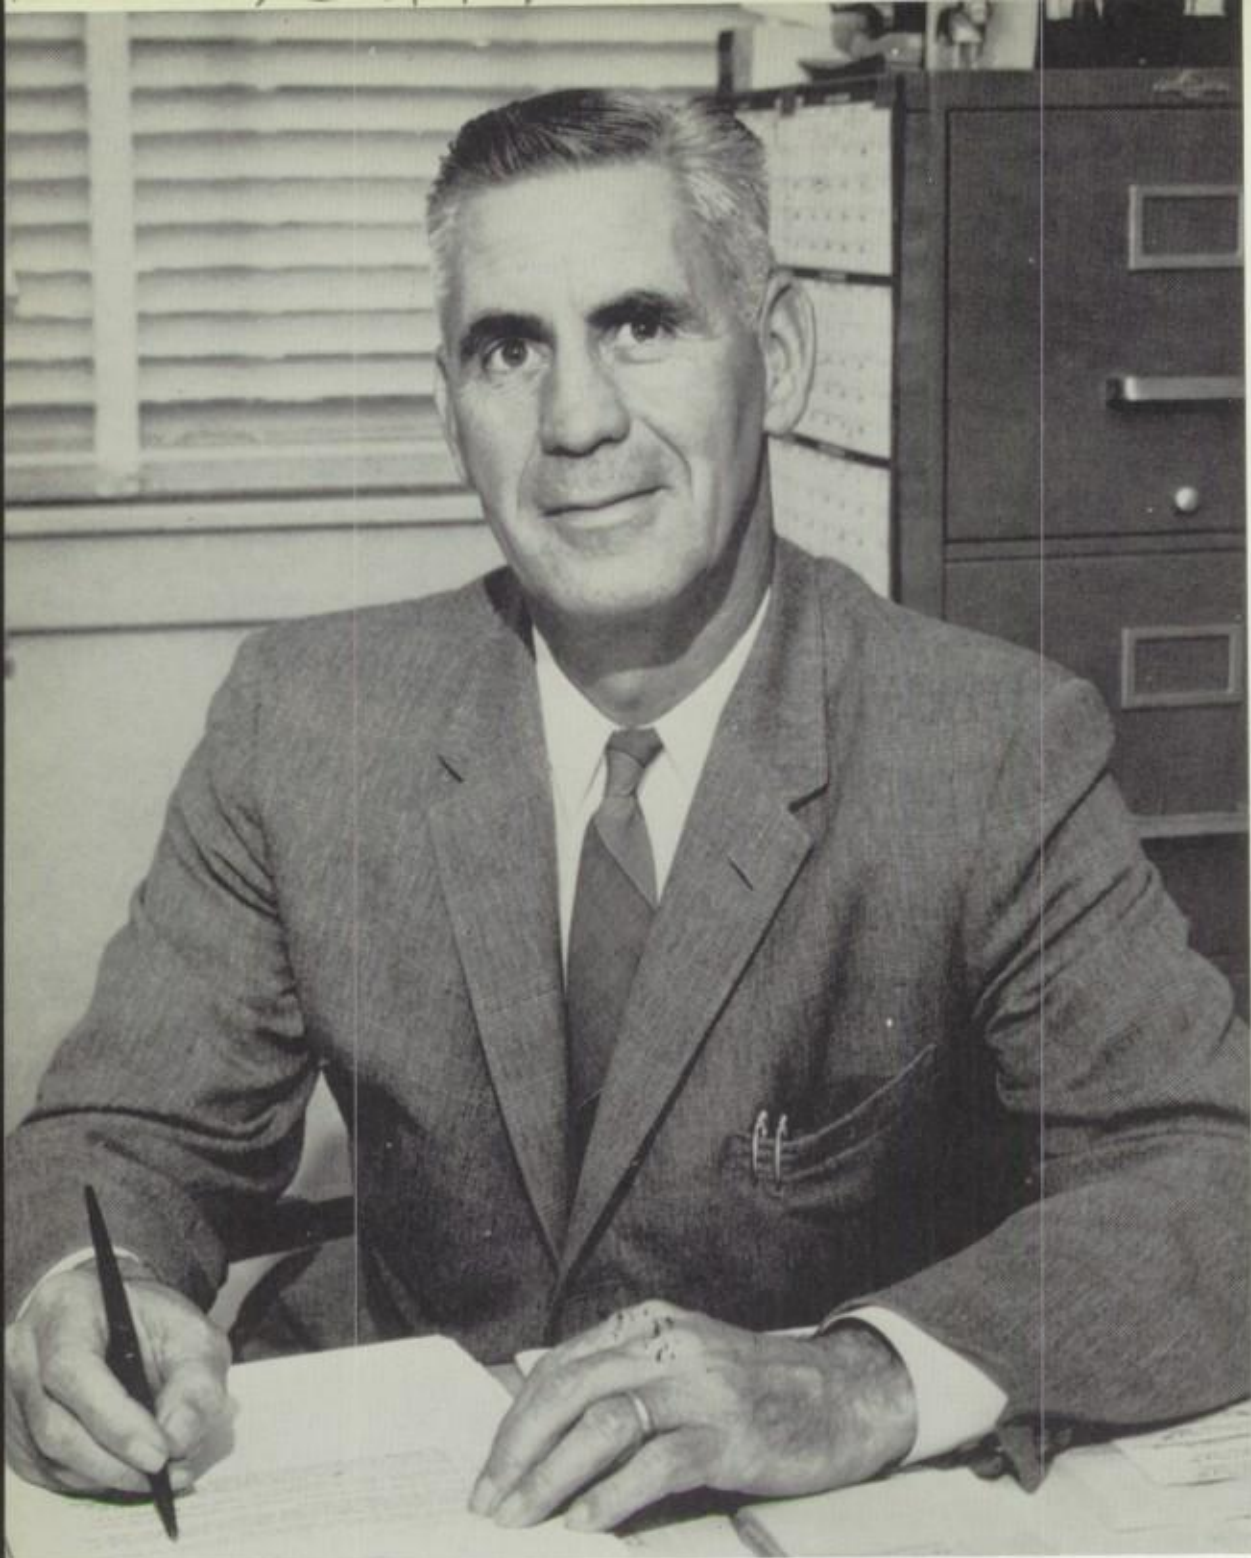

ARTHUR JUDD, Assistant Superintendent

BELOW: A group vitally important to our school system, and yet probably more criticized than any other, is the district school board. The members have given of their time, talents, and wisdom to improve our schools and have shown, through their decisions on important issues, their exceptional ability to guide our school.

District 4 School Board

SCHOOL BOARD: Vic Micelli, Clerk; Darley Ware, Art Lamka, Harold Hoyt, Wayne Crooch, Dudley Walton, Mike Deller, Superintendent.

Principal

Mr. Harry Jacoby is now in his seventh year of able leadership at R.H.S. Under his guidance, the school has grown and progressed a great degree each year. Friendly, helpful, considerate, he is always ready to help individuals, groups, or the whole student body.

"Directives"

Roseburg High is very fortunate in having Mr. Teters as our new Vice-Principal. He comes to us from Monroe Union where he held the post of Principal. Attendance, scheduling, and discipline are his three most important duties. A good listener, he is ever willing to help a student any way he can.

Vice-Principal

Dean of Girls

Miss Randall is now in her tenth year as Dean of Girls at R.H.S. In a job that entails everything from attending to sick girls to advising clubs, Miss Randall feels that her most important duty is helping — helping girls any way she can. Registration and re-scheduling are two of her many other duties in addition to being advisor to C-12, Girls' League, and J.C. Aids.

Dean of Boys

Formerly Director of Instrumental Music, Mr. Withnell occupies a new capacity this year as Dean of Boys. Counseling, pre-registration, locker supervision and advisor to Student Council are just a few of his many duties. Understanding and co-operation can always be found in his office.

Office Secretaries

Keeping the school records in order, answering the telephones, and recording grades, credits, and attendance are only a few of the many tasks of the office secretaries. They served our school well, and R.H.S. is very proud of a job well done by Mrs. Dorothy La Fone, Library Secretary; Mrs. Evelyn Evans, Attendance Secretary; Mrs. Pauline Rains, Recording Secretary; Mrs. Jessie Friend, Shop Secretary; and Mrs. Maxine Noble, Head Secretary.

SEATED: Mrs. Maxine Noble. STANDING: Mrs. Dorothy La Fone, Mrs. Evelyn Evans, Mrs. Pauline Rains, Mrs. Jessie Friend.

Mrs. Riffe, Head of the English Department, smiles as she conducts a lesson to her College Prep class.

In the English Department, the student learns not only new information, but he learns to express that which he has experienced in the past but has heretofore been unable to expound upon. Foreign languages, Speech, and Journalism are contributors in teaching the skills of communication.

English . . . Foundation

Mr. Barneck is serious as he hands out exam papers to his first period English class.

Talking over book reports are Mrs. McTaggart and Miss Turner.

Mr. Eskelson and Mrs. Broadus busily scan a magazine article to be read in English class.

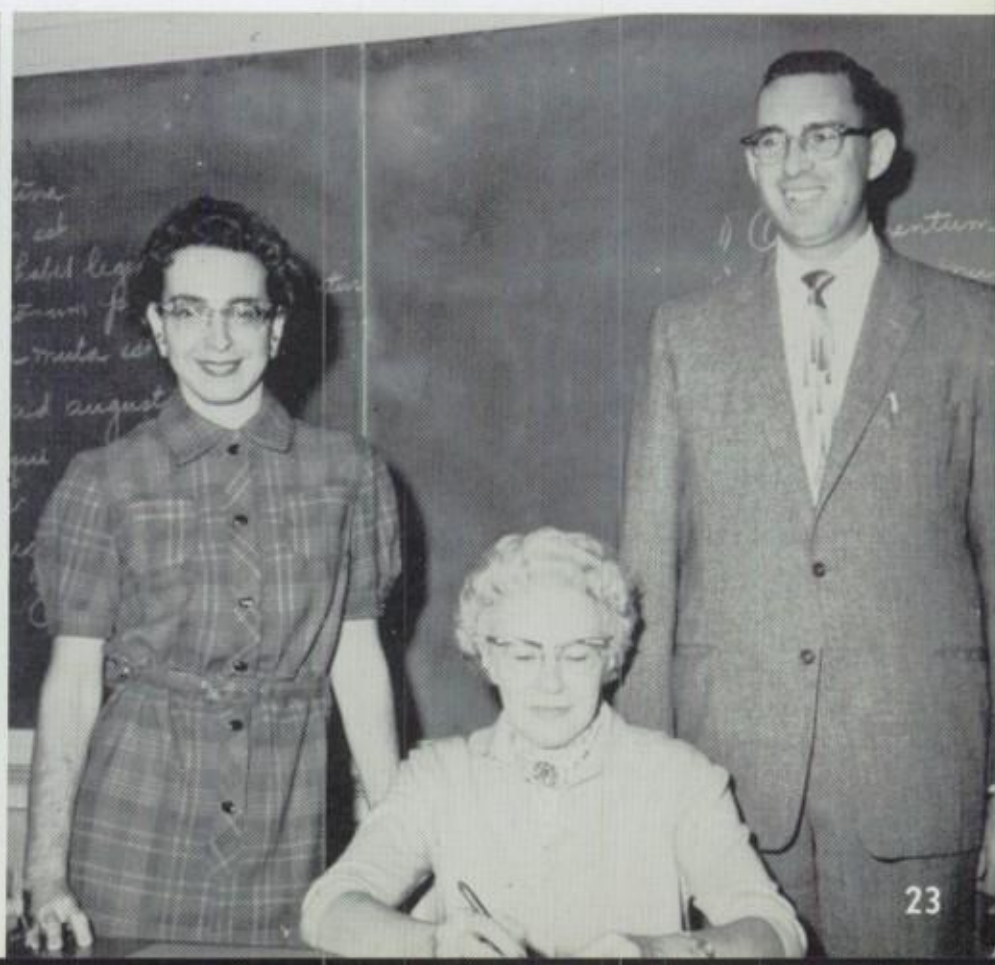

Mr. Bulfinch and Mr. Flannery discuss the inter-class speech contest.

of Education

Mr. Wilkie goes over a paper deadline with Larry Crain and Wendy Bingham in Orange R.

Mrs. Fread, Mrs. Lorraine, and Mr. Bailey, all teachers of foreign languages, pause from a chat to have their picture taken.

Mr. Scudder, Department Head, looks up from his work to smile at the photographer.

History, made easy by interesting classes, enables the students to avoid the pitfalls of the past. Study of previous wars, depressions, and natural disasters provide the key to future security. History classes offered at R.H.S. not only build a good basis for further study, but also give tomorrow's citizens the well-rounded background needed in a modern, educated society.

History . . . Past and Present

Mr. Smith, Mr. Hoffman, and Mr. Easter line up for the cameraman.

Mr. Watson, Mr. Gruwell, and Mr. Edie discuss world affairs.

Mr. Snyder, Department Head, demonstrates salesmanship for the photographer.

The courses offered in Business Education not only prepare a person for the business world, but they are necessary for everyday living. Numerous subjects form a complete background with choices from Business Law and Retail Selling to Advanced Bookkeeping.

Business . . . Takes Concentration

Smiling as they talk over incidents in their classes are Miss Spooner and Miss Risty.

Mr. Demarinis drops in to confer with Miss Dyar about a problem confronting his classes.

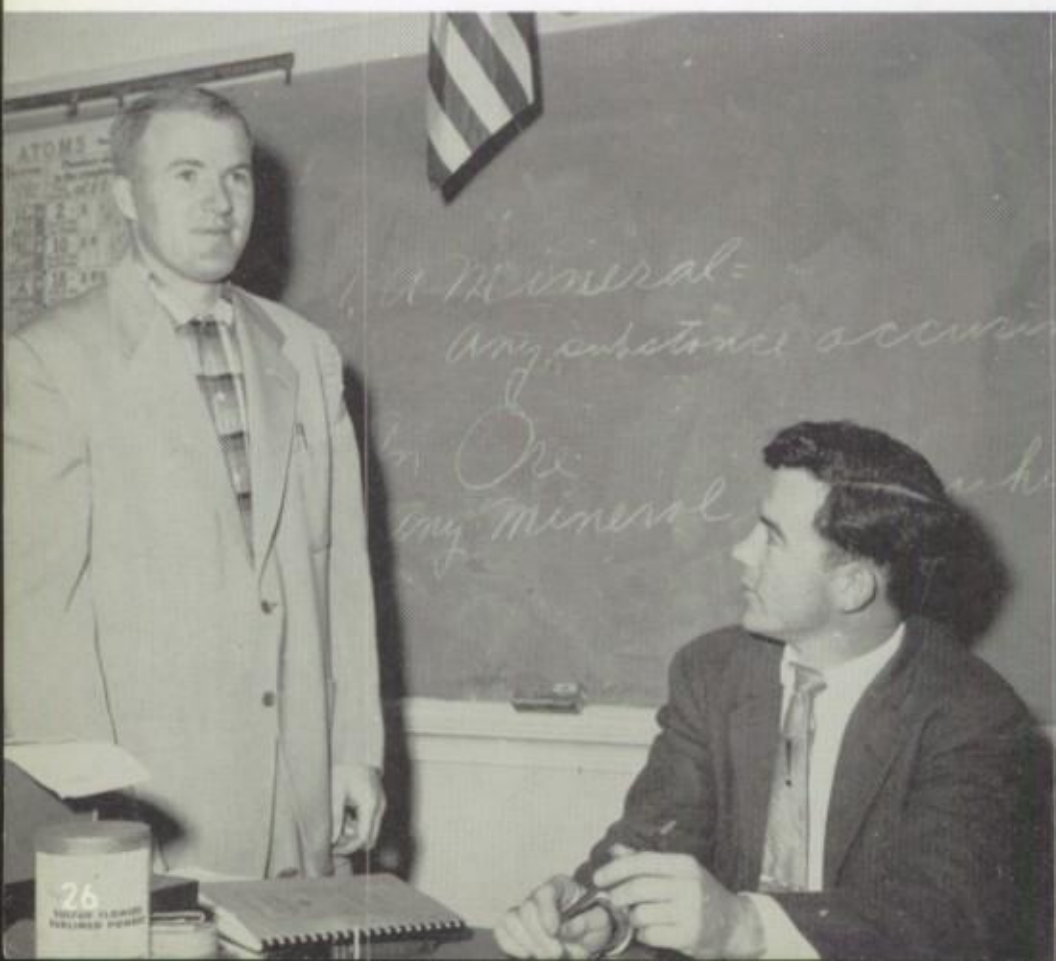

Mr. Brady, who teaches five classes of Biology, is big chief of the science tribe.

R. Glenn Brady

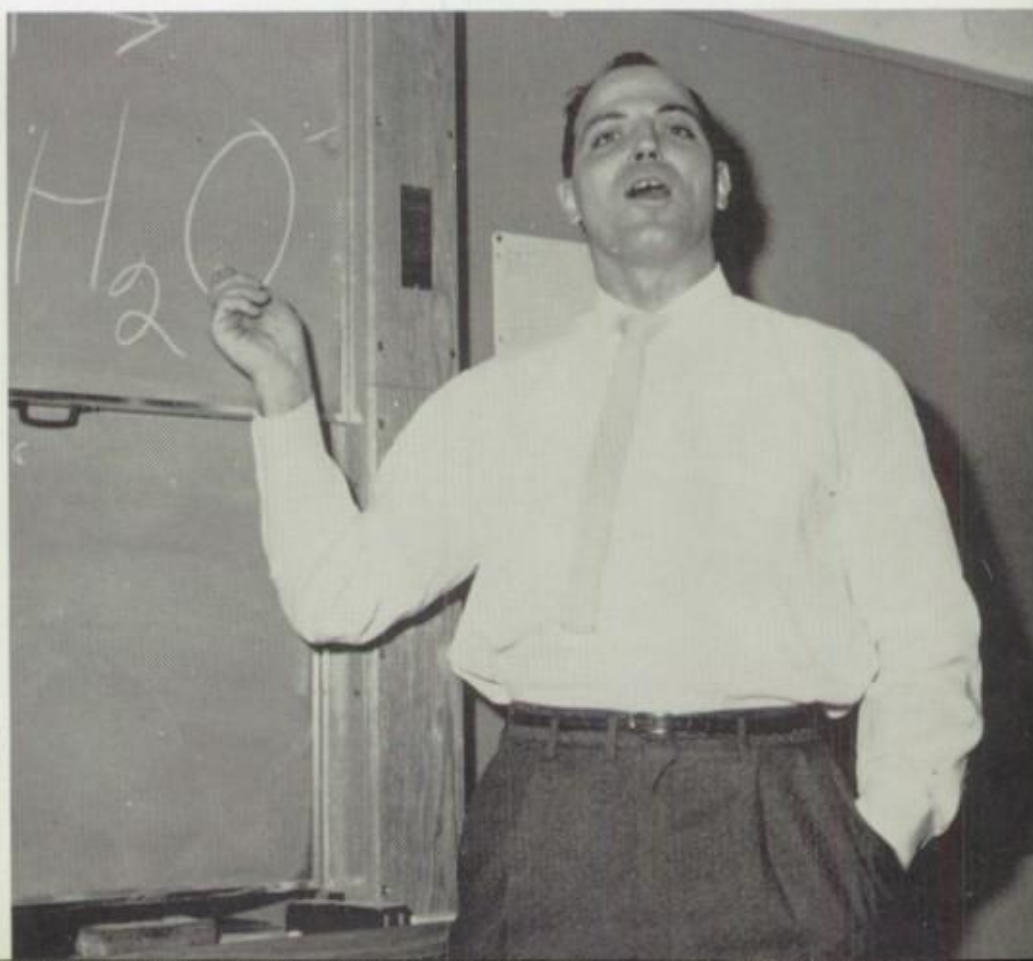

Science has been our stepladder to modern living. Each step has been built by years of searching and developing in every field of science. Study in these fields is essential for further progress, and our complete science courses make certain that any interested student is in no way handicapped by lack of facilities.

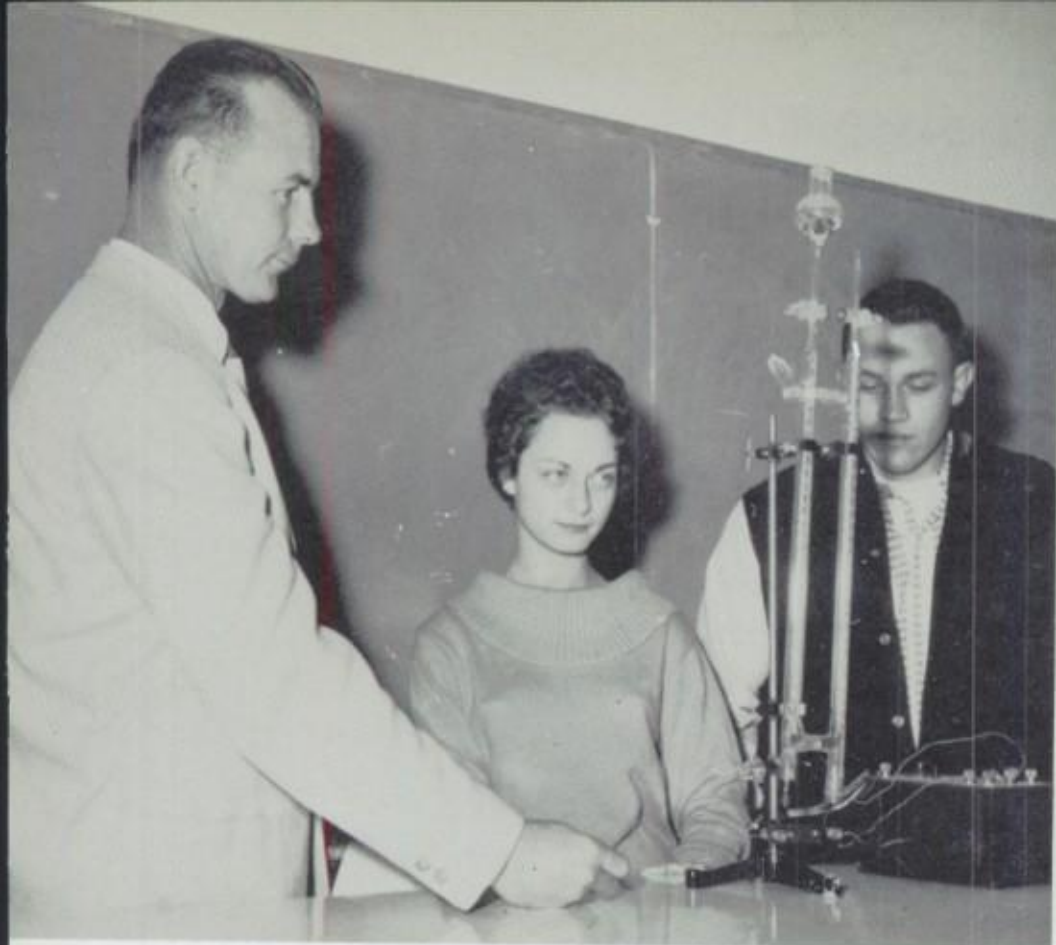

Science . . . Observing

Mr. Purcell and Mr. Thompson plan the next nine week's work in science.

Mr. Spindle, chemistry teacher, balances an equation for one of his classes.

Mr. Payne explains water of electrolysis to Shirley Smith and Doug Frisbie.

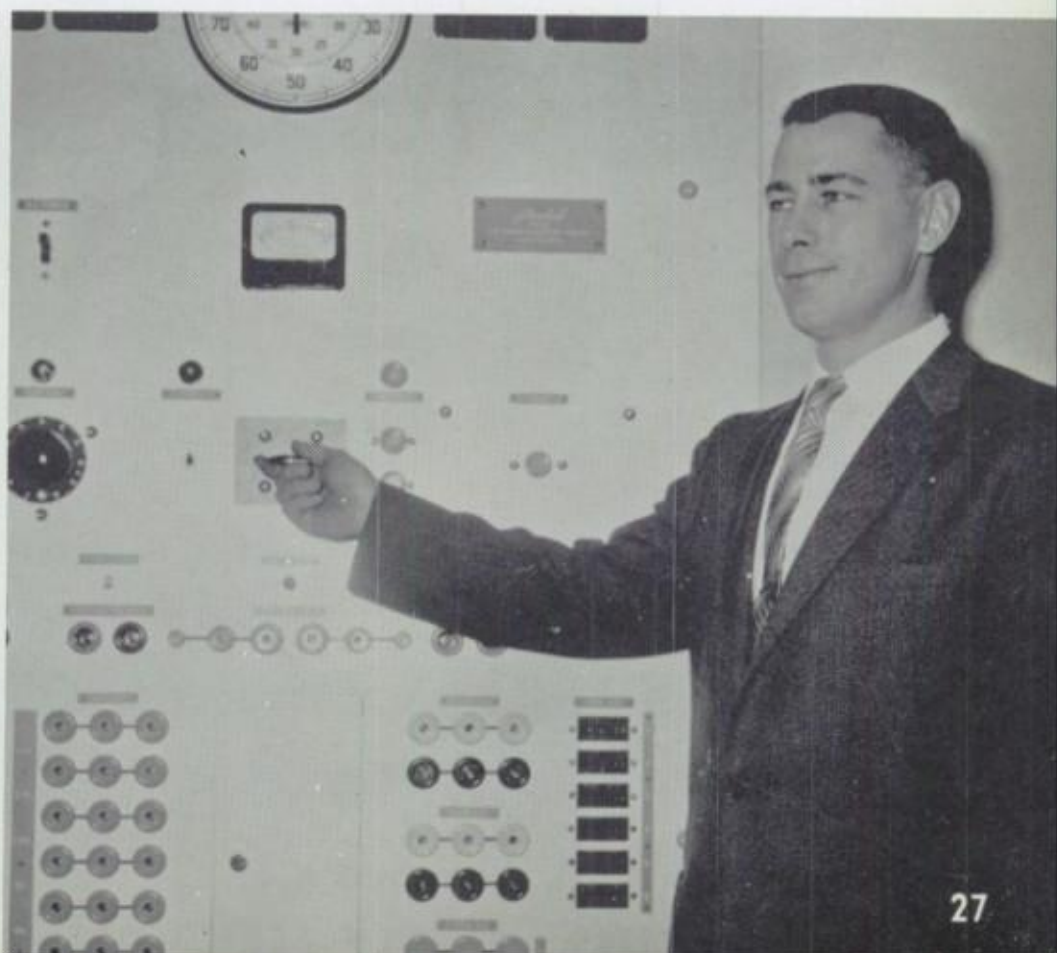

Mr. Hopkins, popular freshman science teacher, looks up from his work to smile for the camera.

and Classifying

Mr. Strasburg relates past tree planting trips to one of his classes.

Mr. Lindquist explains the electrical control panel to his physics class.

Mr. Moldenhauer, Head of Vocational Arts, is pictured on familiar grounds—the shop building.

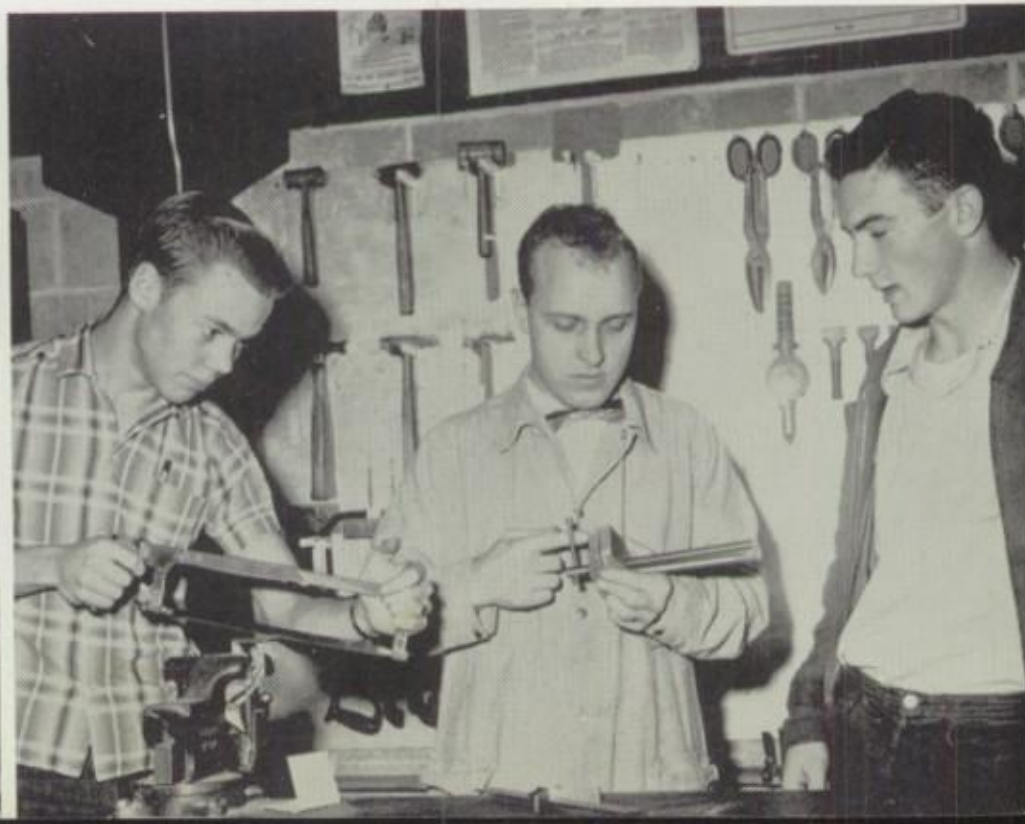

In Woodworking, in Homemaking, beneath vehicles in auto mechanics, indeed, in all Vocational classes, students learn to fashion things with their hands which are practical and often beautiful.

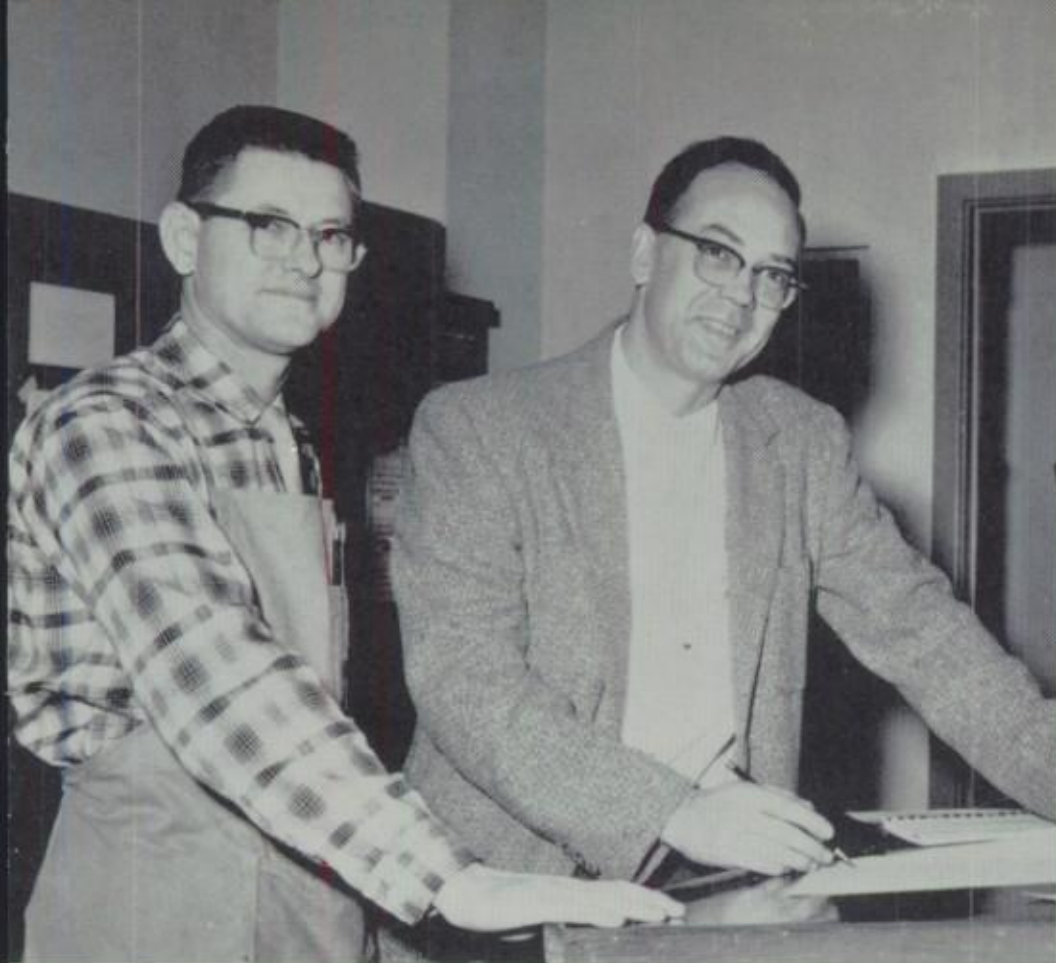

Vocational Arts . . .

Mrs. Simonson, Mrs. Rich, and Mrs. Clark admire Christmas dishes made by their homemaking students.

Mr. Lindsey demonstrates to Bruce Barneburg and Jim Talburt the mechanics of making a vice.

Mr. Mattson shows a mechanical drawing to Mr. Hardin.

Mr. Kennedy, T&I advisor, chooses a book for class research.

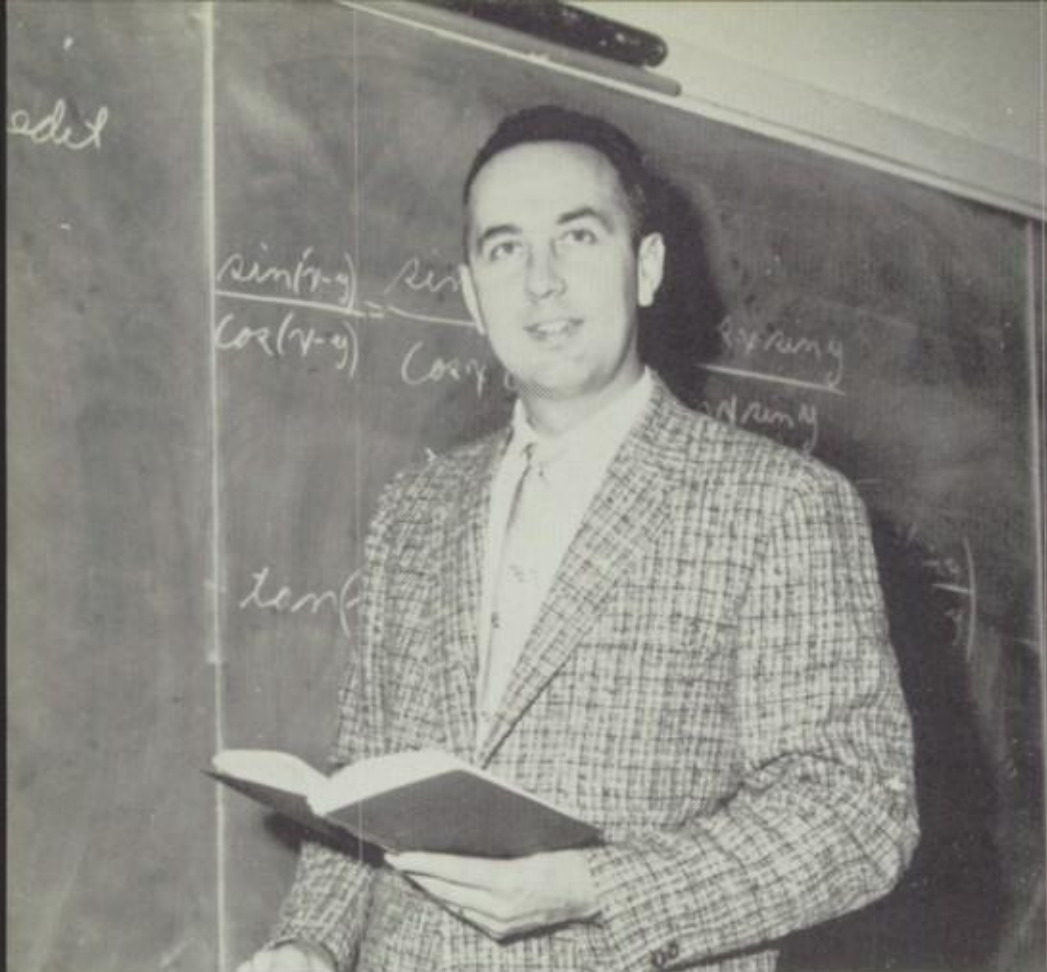

The Practical Skills

Mr. Grow, Agriculture teacher, sits in at F.H.A. executive meeting.

Scanning a textbook are Mr. Roos, Shop teacher, and Mr. Wolf, Auto Mechanics teacher.

Mr. Larsen, Head of the Math Department, work a difficult problem for his class.

To be mathematically literate is an important part of a rounded education. From the less complex practical math to solid geometry and trigonometry, the mind is alerted and trained to be systematic and exact.

Math . . . for Exactness

Mr. Schinn and Mr. Rockwell discuss a math problem while Mr. Krug looks on.

Mr. Rockwell

Mr. McAllister and Mr. Schreiber talk over a math assignment.

Besides the demanding job of department head, Mrs. Monger maintains an orderly library.

The Fine Arts afford the pleasure of design and the indescribable joy of creation. There is a primitiveness in us all and herein lies the music and the color which exists in the slope of a hill with a forest of tall, dark pines rustling to the winds. Truly, in the Fine Arts there is a satisfaction found nowhere else.

Fine Arts . . . Appreciation, Beauty

Mrs. Widman looks on as Christine Oldaker works on an art project.

Mr. Robins, Mr. Lenneville, and Mrs. Spindle review a selection of music.

Mr. Severson, Department Head, teaches five periods of boys' P.E.

Physical Education has become an important part of today's school, affording the students a break in their day of studying. This period of guided exercises and games relaxes the nerves, refreshes the mind, and exercises the body, sending the students back to their classrooms better able to do their best work. Competent teachers assure correct guidance and development. P.E. has truly become an important part of the school day.

Sophomore Class Officers

The Sophomore class started a good year by leading the other classes in percentage of students on the honor roll for the first nine weeks. Although they placed fourth in the inter-class speech contest, they could proudly say they had sophomores out for every sport, both boys' and girls'. In February they had a "Club 61" talent show and ended their last year as underclassmen in fine style. Officers for the class were Tim Doyle, *President*; Mike Brundage, *Vice-President*; Penny Ostrander, *Secretary*; James O'Brian, *Treasurer*; Gerry Burgess, *Sergeant-at-Arms*; John Todd and Pat Moran, *Representatives*. Mr. Demarinis, Mrs. Broaddus, Miss Risty, Mr. Brady, and Mr. Hardin were the class advisors.

Juniors

Studying the Constitution in Mr. Gruwell's U.S. history class are: Milton Sylwester, Jeanette Schweitzer, Shannon Rutter, Beverly Ospald, Leroy Roberts and Kitty Moore.

An interesting elective course for Juniors and Seniors is CHEMISTRY. Here Mr. Lindquist explains an experiment.

Juniors

A popular course with the girls is **HOMEMAKING III**. Mildred Hendrix, Elaine Reiser, and Ruth Paulson examine pattern books for future dresses.

Juniors

Students in Mr. Scudder's U. S. HISTORY class listen intently to a discussion of current topics.

Senior Class Officers

The Seniors had a full schedule this year with five big projects. The first was their carnival, "The Gay 59'ers," which is their largest money raising event. Proceeds from this and the Senior Class Play went toward the final goals—Baccalaureate and Commencement. The fifth event was the banquet which was not a money raising project but was solely for the enjoyment of the class. Barry Serafin led the class of '59 through this busy year with Stan Brown, Vice-President; Gaye Warren, Secretary; Kathy Rooney, Treasurer; Davy Flury, Sergeant-at-Arms; Loren Olsen, Representative; Mrs. Riffe, Mr. Easter, Mr. Watson, Mr. Smith, Advisors.

Best wishes to the Orange "R" staff. It has been a long time since we've had such a good group of people here. Finally in all these years, we're getting the best luck too.

The Orange "R," usually a six- or eight-page paper, is published twice a month. The staff collects and writes all news, features, and editorials used in the paper. Make-up, page-lay-out, and copy-reading is done during class hours. To finance the school paper's operation, a portion of the student body card money is credited to the paper's account. The balance, about half, is made up by selling advertising to local businessmen.

This year the staff was under a co-editorship with Mike Murphy and Larry Crain sharing the honors (and the hard work). Other staff members were Wendy Bingham, Managing Editor; Shirleen Cottrell, News Editor; Jerry Healy, Feature Editor; Gerry Flink, Business Manager; Penny Bevans, Advertising Manager; Lynn Baxter, Sports Editor.

In addition to running the paper, the staff conducts the Journalism Club. Here non-enrolled members may learn reporting and writing under the direction of members of the regular staff.

Something to be especially proud of this year is the national recognition the Orange "R" has received for its excellence in quality from the International Honorary Society, The Quill and Scroll.

Girls' League

The largest and one of the most active clubs at R.H.S. is Girls' League. Every girl is a member, although voting depends on payment of dues. Meetings are held each month where one of the highest honors in high school is bestowed on a senior girl. Each "Girl of the Month" is chosen for an outstanding quality picked to represent that month. Besides "Girl of the Month," each meeting includes reports from representatives sent to Woman's Club, old and new business, committee reports, and special entertainment. The club also awards a \$100 scholarship to a senior girl, invites the mothers of each class to one meeting during the year, and holds a Big and Little Sister Tea.

Leading the club in these and many more projects are Faye Reeder, President; Joanne Freeman, Vice-President; Mary Ann Nolan, Secretary; Pat O'Mara, Treasurer; Pat Desbiens, Marshal; Class Representatives are Marilyn Todd, Senior; Sandra Brown, Junior; Virginia Harris, Sophomore; Sue Aiken, Freshman.

"Homecoming"

Color day at Roseburg High started the Homecoming activities on October 31, 1958. Although a downtown rally was planned, afternoon rain prevented it, and an inside rally was held instead. Sue Meredith was crowned Homecoming Queen during this rally.

Then an 8:00 kick-off started the long awaited game against Marshfield. Although we lost this important one, spirit was still high when, afterward, the Rally Squad sponsored the dance "Orange and Black." Reigning over all these activities were Queen Sue Meredith and her court, Mary Ralston, Carmen Wells, Marilyn Todd, Judie Jacoby, Gaye Warren, and Sandy Ulam.

Rally Squad

To bring back the old tradition of Yell King, Roseburg had Gary Sanders to lead the squad this year. And lead he did, making this group one of the best, boosting spirits at every pep rally and game. Gary and the other two boys on the squad, Dave Forrest and Bob Scott, teamed up on new yells; the girls also had some yells of their own. Of course, they all worked together on many new and old ones too. With the aid of a terrific pep band, Mary Ralston, Sue Meredith, Barbara Brown, Sandy Ulam, Annette Lehman, and Joanne Freeman made a big hit with their dance routine, adding color and variety at all the games.

Alternates this year were Pat Fromdahl and Carol Fray. These two were ever urging the J.V. team also.

The Centennial Year was also represented during the Senior Class Carnival on November 14, 1958. Booths were divided into five groups; each represented an important era of the past century. All seniors working in booths wore costumes befitting the era in which they worked. The sideshow, too, was in Centennial style featuring acts that represented highlights of the century.

Crowds of students, townspeople, and out-of-towners enjoyed the various games and activities offered. A night of very successful entertainment was climaxed by the crowning of Nancy Stewart as Carnival Queen.

"Inside Lester"

When a mild-mannered detective writer, Lester Pelham, by name, accidentally swallows a \$75,000 stolen diamond, he and his two assistants are kidnapped by amateur gunmen. To win the woman he loves, Lester with "The World's Most Valuable Stomach" finally proves, after many false starts, that "brains win over brawn every time." This unusual situation was the plot of the 1958 Senior Class Play. "Inside Lester," a three-act comedy by Fred Carmichael, was presented on May 2 and 3, in the Roseburg High Auditorium. Under the direction of Miss Joan Heidenreich, the all-senior cast gave a wonderful performance both nights. The cast included Paul Dillon, Lester Pelham; Kathy Fretwell, Casa; Ona Liles, George Fleming; Loretta Desbiens, Maggie Horton; Nancy Whitaker, Pembina Gordley-Smith. Fine performances were given by the rest of the cast.

Oh, the problems of a father when his daughter contemplates marriage! Invitations . . . guests . . . refreshments . . . flowers . . . dresses; Mr. Banks, played by Mike Murphy, was a father with all these problems on his mind. How they were all solved was the humorous plot of "Father of the Bride." This three-act play was presented by the Junior Class on November 21-22, 1958. The supporting cast included Ila Batsch, Mrs. Banks; Penny Bevans, Kay Banks; Dick Withnell, Buckley Dunstan; Bill Milne, Tommy Banks; Bernie Young, Ben Banks. Other characters, all portrayed by Juniors, put in fine performances both evenings and made this year's annual Junior Class Play one to be long remembered.

Operetta

The R.H.S. auditorium was the location of the 1958 Operetta presented by the Choral Department. "Annie Get Your Gun," the rootin'-tootin' saga of the adventures of sharp-shooter Annie Oakley, found Ernie Foree (as Frank Butler) shooting it out with two Annies in the persons of Jeannie Gibbons and Shirleen Cottrell. The auditorium resounded with countless shots as Buffalo Bill (Jeremy Halladay) and Chief Sitting Bull (Bob Johnson) cheered Annie on even in defeat, and helped manage her career. Fine performances were also turned in by Tom Heinz, Judie Johnson, Marilyn Todd, Sharon Stratford, Alice Hamilton, and Bob Scott.

The Roseburg High School Auditorium, May 10, set the scene for the 1958 Junior-Senior Prom. Its theme, Oriental Enchantment, was carried out through the use of such beautiful decorations as Chinese pagodas, oriental murals, Japanese lanterns, and oriental servants wearing colorful kimonos.

The Junior Chamber of Commerce sponsored the all-night program which included a formal dance, a movie at the Indian Theater, a floor show at the Elks' Hall, and a breakfast at the Moose Hall. Hundreds of couples enjoyed the music of Tommy Fox and his orchestra and awaited the crowning of the Queen, Barbara Brown. There was no true varsity or junior varsity football team this year. The boys all practiced together as one big team, and the boys who didn't get to play varsity played junior varsity.

Roseburg-21 Eugene-12

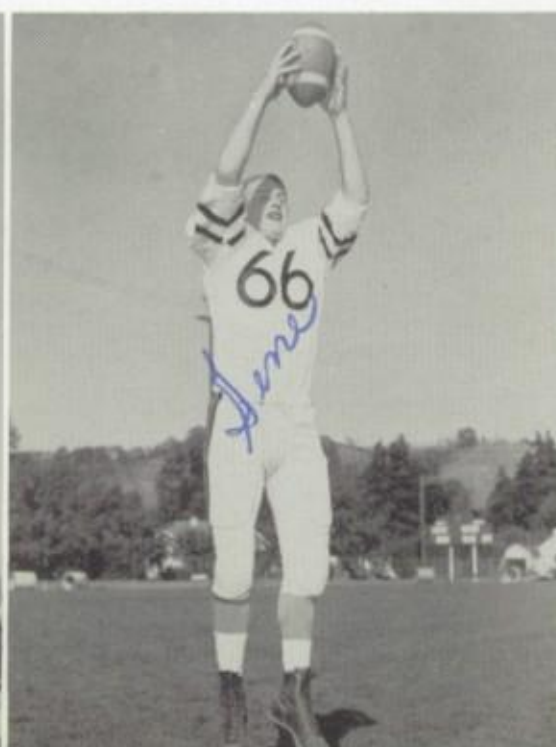

For the first time in R.H.S. history, the Indians beat the Eugene Axemen. This was also the first time in 10 years that the Indians scored on the Axemen's field.

The Axemen started the game fast with a 67-yard run, and 2 plays later, a touch-down. After an 80-yard drive, Rod Hoenisch went around the right end for 37 yards and the Indians' first score. Jerry Humphreys went over for Roseburg's second touch-down, and Rod Hoenisch went around right end for another 6 points. Bob Steele kicked the extra point. In the third quarter the Axemen scored from the 1-yard line. In the fourth quarter Rod Hoenisch dropped the quarterback in the end-zone for a safety and the final 2 points.

Doug Frisbie and Greg Stevens downed a Miller punter on the 21 and in three plays Rod Hoenisch went through center for paydirt. There was no scoring in the first half of this hard fought defensive game. Roseburg made the first score in the 3rd quarter with a 35-yard run by Jerry Humphreys to the 20 and Syl Hunt carried for the score on the next play. Bob Steel made the P.A.T. The Lions scored on a pass, but C. B. Simons blocked the kick, holding the score at 7-6. Lynn Baxter went into the end-zone twice for 12 more points. The P.A.T.'s were both missed. The Lions made their final touchdown on an intercepted pass, which was run all the way. After a 25-yard run, Lynn Baxter made his third appearance in the end-zone, and Bob Steel kicked the P.A.T. for a final score at 26-13.

Despite their hard work and enthusiastic spirit, the 1959 basketball team couldn't equal last year's record of going to State. They played some of the strongest teams in the state and just didn't seem to get any good breaks. Some of the games R.H.S. won were with Crater, Grants Pass, Cottage Grove, North Eugene, and Marshfield. The scoring was led by Bob Steele with 250 points in the first 19 games and Tom Barrong with 180 points.

COACH WALT PAYNE

In the three years that Walt Payne has been coaching the wrestling squad, he has built a strong, well spirited team which went undefeated during the 1959 season. The boys obtained their 12 wins-1 tie record through hours of hard, tedious practice. Ending with a 13 win-2 loss record, the Junior Varsity also had a winning team.

At the District Tournament, Roseburg walked away with first place with 133 points, followed by Marshfield with 110 points and Springfield with 106 points. Eight boys qualified for the State Tournament. They were: Dan Richman, Larry Totton, Frank Walter, John Anttonen, Doug Frisbie, Bill Kelsay, Stephen John, and Don Green.

We are all looking forward to another top team next year. Coach Payne will have to work hard to beat his '59 record.

Track 1958

Roseburg Track Team of 1958 had a good turnout from all four classes. The meets they participated in were: Roseburg Invitational, Douglas-Dual, Hayward Relays, Grants Pass Rotary, Springfield-Dual Meet, Cottage Grove and South Eugene Triangular Meet, and Subdistrict and District Meets.

They were a hard working group who had eight boys qualify for district and one boy qualify for state.

The 1959 team should be quite strong due to the large number of returning lettermen.

Dear Carolyn,

Though I'm a bit ancient for this type of thing, if a few words of encouragement now will help you to propper after you take the big step a few days hence, then I feel honored to be able to bestow them.

You're a very fine girl with a potentially bright future ahead of you. Whatever you seek after I'm certain you'll find; however be sure it's not the pot of gold at the end of the rainbow which you desire.

Carol - We finally made our twelve long years. And all in all it really been a blast. I have really enjoyed knowing you and running around with you since the seventh grade. Remember all the dumb things we did and all the laughs we've had. Remember that time we went to the Willam Schaal about 10:00 or 12:00 o'clock in the night. It has all been fun. I sure hope to see you during the summer. And now that I'm living in town, maybe we can get together, when you come back from California. I want to wish you all the luck and happiness to a very swell, cute girl. And don't ever do anything I wouldn't. God Bless You. See ya around. Love you. Sisterman.

Carolyn,
 As I wrote in your memory book, I sure
 have enjoyed your friendship and am glad
 that you came back from Eugene. Always remember
 Smith's classes and the fun in the Operetta?
 Be good and have fun this summer.
 Sally Myers

Carolyn lots of luck in the
 coming years. You're a real
 cute kid and will go
 a long ways.

Carolyn,
 I'm really glad I was
 able to become acquainted
 with you this year. It was
 really nice being with you
 in S.S. Judy Orsbaugh

Larry Edwards

In the preceding pages we have tried to show you the progress that has been made during the past century. By giving you brief glimpses into the past we hope to have provided a possible Yardstick for future progress in which you will take part. We also hope that you will let the letter "R" not only stand for Roseburg High, but also for some of the things you have learned here: A Reminiscence of the past, a Respect for the present, a Readiness for the future.

Dear Carolyn,
 It seems funny saying goodbye
 to each other. What? It was
 only yesterday that we were
 in Green school and bitter
 enemies. It's always remember
 your and your crazy doings.
 All my love
 Lynn Damon

Carolyn
 How that for spelling?
 I sure don't know why we didn't
 get to go out this year. Well with

 Good luck in your years out
 of school. You are getting
 out of this school. I know I will

Carolyn,
 I feel a bit of
 regret at signing
 annuals for the
 last time. I'll
 always remember the
 fun times we've
 had together, esp.
 in p.e. As one
 C.P. to another,
 best of luck in all
 you attempt and
 may your life be
 filled to the brim
 with happiness.

Sincerely,
 Gail Crittenden

It's been fun
 being in P.E.
 Class with you.

Carolyn, it seems possible
 that this is our last
 year and annual. I know I'll
 miss you in Eugene so this
 makes me sad. I know I'll
 see you in eighth grade. I won't
 forget ever
 since the fun times we've had.
 I want to wish you
 the best of good luck and
 God Bless you.

Dear Carolyn -

Guess I'll be a little different & write sideways that way I can say more anyhow.

There are many things I'd like to say to you, but I don't know where to start. Anyway I think you're a swell kid & I'm glad I got to know you. Always remember the fun we had at the Region games last year. We certainly had our troubles didn't we? We still do for that matter.

I remember ages ago when I couldn't stand you and it seems very funny now that we're such close friends. At least I think we have a close friendship. And

I hope it stays that way. (When you go to California you have to write to me, too)

You've been a lifesaver since I've been going with Don, too. (Lots more so than Audrey, even - I just can't talk to her anymore)

You can understand me better and I feel that I understand you, too. Any way thanks for listening to my ~~and~~ troubles & giving me advice. I appreciate it lots more than I let on, I think. I also want you to know that I admire you because you have a purpose in life & can stand on your own two feet. That's what's wrong with me & guess - He hate!!

Dear Carolyn,
 Ready to go out into
 the cold, cruel world? I
 know you'll have a very successful
 life. I sure have enjoyed your company
 in Libs' Bldg. Bye and Biology!
 Best Wishes!
 Margaret Stein
